## VIZSLA COPPER ANNOUNCES \$1.5 MILLION NON-BROKERED PRIVATE PLACEMENT

Vancouver, British Columbia, March 5, 2024 – Vizsla Copper Corp. (TSXV: VCU, OTCQB: VCUFF, FRANKFURT: 97E0) (“Vizsla Copper” or the “Company”) is pleased to announce a non-brokered private placement of up to 23,076,923 units (the “Units”) at a price of \$0.065 per Unit for gross proceeds of up to \$1,500,000 (the “Offering”).

Each Unit will consist of one common share of the Company (each, a “Share”) and one common share purchase warrant (each, a “Warrant”). Each Warrant will entitle the holder thereof to acquire one additional Share (each, a “Warrant Share”) at a price of \$0.12 per Warrant Share until the date which is 36 months following the Closing Date (as defined below).

The net proceeds of the Offering will be used for further exploration and general working capital purposes.

Closing of the Offering is anticipated to occur on or about April 4, 2024 (the “Closing Date”) and is subject to customary closing conditions, including the Company's receipt of TSX Venture Exchange approval. In connection with the Offering, the Company may pay finder's fees to eligible finders. All securities issued in connection with the Offering will be subject to a statutory hold period of four months and a day from the Closing Date.

The Units will be offered pursuant to available prospectus exemptions set out under applicable securities laws and instruments, including National Instrument 45-106 – *Prospectus Exemptions*. The Offering will also be made available to existing shareholders of the Company pursuant to the existing shareholder exemption set out in BC Instrument 45-534 – *Exemption From Prospectus Requirement for Certain Trades to Existing Security Holders* (the “Existing Shareholder Exemption”). The Existing Shareholder Exemption is available to shareholders residing in all Canadian jurisdictions. Shareholders of record of the Company as at March 4, 2024 (the “Record Date”) are eligible to participate under the Existing Shareholder Exemption. To rely upon the Existing Shareholder Exemption, the subscriber must: (a) have been a shareholder of the Company on the Record Date and continue to hold shares of the Company until the Closing Date; (b) be purchasing Units as a principal and for their own account and not for any other party; and (c) not subscribe for more than \$15,000 worth of securities from the Company in the past 12 month period under the Existing Shareholder Exemption unless they have first received advice from a registered investment dealer regarding the suitability of the investment. Existing shareholders interested in participating in the Offering should consult their investment advisor or the Company directly. Subscriptions will be accepted by the Company on a “first come, first served basis”; therefore, if the Offering is over-subscribed it is possible that a shareholder's subscription may not be accepted by the Company, unless the Company decides to increase the size of the Offering.

The securities described herein have not been, and will not be, registered under the United States Securities Act of 1933, as amended (the “U.S. Securities Act”), or any state securities laws, and accordingly, may not be offered or sold within the United States except in compliance with the registration requirements of the U.S.

Securities Act and applicable state securities requirements or pursuant to exemptions therefrom. This press release does not constitute an offer to sell or a solicitation to buy any securities in any jurisdiction.

## **About Vizsla Copper**

Vizsla Copper is a Cu-Au-Mo focused mineral exploration and development company headquartered in Vancouver, Canada. The Company is primarily focused on its flagship Woodjam project, located within the prolific Quesnel Terrane, 55 kilometers east of the community of Williams Lake, British Columbia. It has three additional copper exploration properties: Copperview, and Redgold, all well situated amongst significant infrastructure in British Columbia. The Company's growth strategy is focused on the exploration and development of its copper properties within its portfolio in addition to value accretive acquisitions. Vizsla Copper's vision is to be a responsible copper explorer and developer in the stable mining jurisdiction of British Columbia, Canada and it is committed to socially responsible exploration and development, working safely, ethically and with integrity.

Vizsla Copper is a spin-out of Vizsla Silver Corp. (TSX.V: VZLA) (NYSE: VZLA) and is backed by Inventa Capital Corp., a premier investment group founded in 2017 with the goal of discovering and funding opportunities in the resource sector. Additional information about the Company is available on SEDAR+ ([www.sedarplus.ca](http://www.sedarplus.ca)) and the Company's website ([www.vizslacopper.com](http://www.vizslacopper.com)).

## **FORWARD LOOKING STATEMENTS**

The information contained herein contains "forward-looking statements" within the meaning of the United States Private Securities Litigation Reform Act of 1995 and "forward-looking information" within the meaning of applicable Canadian securities legislation. "Forward-looking information" includes, but is not limited to, statements with respect to the activities, events or developments that the Company expects or anticipates will or may occur in the future, including, without limitation, planned exploration activities. Generally, but not always, forward-looking information and statements can be identified by the use of words such as "plans", "expects", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates", or "believes" or the negative connotation thereof or variations of such words and phrases or state that certain actions, events or results "may", "could", "would", "might" or "will be taken", "occur" or "be achieved" or the negative connotation thereof. Forward-looking statements in this news release include, among others, statements relating to: obtaining the required regulatory approvals for the Offering; the expected Closing Date; completion of the Offering; the intended use of proceeds of the Offering; the Company's growth and business strategies; and the exploration and development of the Company's properties.

Such forward-looking information and statements are based on numerous assumptions, including among others, that the results of planned exploration activities are as anticipated, the anticipated cost of planned exploration activities, that general business and economic conditions will not change in a material adverse manner, that financing will be available if and when needed and on reasonable terms, that third party contractors, equipment and supplies and governmental and other approvals required to conduct the Company's planned exploration activities will be available on reasonable terms and in a timely manner. Although the assumptions made by the Company in providing forward-looking information or making forward-looking statements are considered reasonable by management at the time, there can be no assurance that such assumptions will prove to be accurate.

Forward-looking information and statements also involve known and unknown risks and uncertainties and other factors, which may cause actual events or results in future periods to differ materially from any projections of future events or results expressed or implied by such forward-looking information or statements, including, among others: negative operating cash flow and dependence on third party financing, uncertainty of additional financing, no known mineral reserves or resources, the limited operating history of the Company, the influence of a large shareholder, aboriginal title and consultation issues, reliance on key management and other personnel, actual results of exploration activities being different than anticipated, changes in exploration programs based upon results, availability of third party contractors, availability of equipment and supplies, failure of equipment to operate as anticipated; accidents, effects of weather and other natural phenomena and other risks associated with the mineral exploration industry, environmental risks, changes in laws and regulations, community relations and delays in obtaining governmental or other approvals.

Although the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in the forward-looking information or implied by forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that forward-looking information and statements will prove to be accurate, as actual results and future events could differ materially from those anticipated, estimated or intended. Accordingly, readers should not place undue reliance on forward-looking statements or information. The Company undertakes no obligation to update or reissue forward-looking information as a result of new information or events except as required by applicable securities laws.
