## VIZSLA COPPER ANNOUNCES BROKERED PRIVATE PLACEMENT FOR GROSS PROCEEDS OF UP TO C\$3.0 MILLION

NOT FOR DISTRIBUTION TO U.S. NEWS WIRE SERVICES  
OR FOR DISSEMINATION IN THE UNITED STATES

Vancouver, British Columbia, May 28, 2024 – Vizsla Copper Corp. (**TSX.V: VCU, OTCQB: VCUFF**) (“**Vizsla Copper**” or the “**Company**”) is pleased to announce that it has entered into an agreement with Red Cloud Securities Inc. (the “**Lead Agent**”) to act as lead agent and sole bookrunner on behalf of a syndicate of agents (collectively, the “**Agents**”) in connection with a best efforts, private placement (the “**Offering**”) for aggregate gross proceeds of up to C\$3,000,000 from the sale of the following:

- up to 9,090,909 units of the Company (the “**Units**”) at a price of C\$0.11 per Unit for gross proceeds of up to C\$1,000,000 from the sale of Units; and
- up to 16,666,667 flow-through units of the Company (the “**FT Units**”, and together with the Units, the “**Offered Units**”) at a price of C\$0.12 per FT Unit for gross proceeds of up to C\$2,000,000 from the sale of FT Units.

Each Unit will consist of one common share of the Company (each, a “**Unit Share**”) and one half of one common share purchase warrant (each whole warrant, a “**Warrant**”). Each FT Unit will consist of one common share of the Company to be issued as a “flow-through share” within the meaning of the Income Tax Act (Canada) (each, a “**FT Share**”) and one half of one Warrant. Each whole Warrant shall entitle the holder to purchase one common share of the Company (each, a “**Warrant Share**”) at a price of C\$0.16 at any time on or before that date which is 24 months after the closing date of the Offering.

The Company has granted the Agents will have an option, exercisable in full or in part, up to 48 hours prior to the closing of the Offering, to sell up to an additional C\$450,000 in any combination of Offered Units at their respective offering prices (the “**Agents’ Option**”).

The Offered Units will be offered by way of the “accredited investor” and “minimum amount investment” exemptions under National Instrument 45-106 – *Prospectus Exemptions* in all the provinces of Canada. The securities issuable pursuant to the sale of the Offered Units will be subject to a statutory hold period in Canada ending on the date that is four months plus one day following the closing date of the Offering. The Units may also be sold in offshore jurisdictions and in the United States on a private placement basis pursuant to one or more exemptions from the

registration requirements of the United States Securities Act of 1933 (the "**U.S. Securities Act**"), as amended.

The Company intends to use the net proceeds from the sale of Units for working capital and general corporate purposes. The gross proceeds from the sale of the FT Shares will be used by the Company to incur eligible "Canadian exploration expenses" that will qualify as "flow-through mining expenditures" as such terms are defined in the Income Tax Act (Canada) (the "**Qualifying Expenditures**") related to the Company's projects in British Columbia, Canada. All Qualifying Expenditures will be renounced in favour of the subscribers of the FT Units effective December 31, 2024.

The Offering is expected to close on or around June 19, 2024 or such other date as agreed between the Company and the Lead Agent, and is subject to certain conditions including, but not limited to, receipt of all necessary approvals including the approval of the TSX Venture Exchange.

The securities described herein have not been, and will not be, registered under the U.S. Securities Act, as amended, or any state securities laws, and accordingly, may not be offered or sold within the United States or the US persons except in compliance with the registration requirements of the U.S. Securities Act and applicable state securities requirements or pursuant to exemptions therefrom. This press release does not constitute an offer to sell or a solicitation to buy any securities in any jurisdiction.

## **ABOUT VIZSLA COPPER**

Vizsla Copper is a Cu-Au-Mo focused mineral exploration and development company headquartered in Vancouver, Canada. The Company is primarily focused on its flagship Woodjam project, located within the prolific Quesnel Terrane, 55 kilometers east of the community of Williams Lake, British Columbia. It has three additional copper properties: Poplar, Copperview, and Redgold, all well situated amongst significant infrastructure in British Columbia. The Company's growth strategy is focused on the exploration and development of its copper properties within its portfolio in addition to value accretive acquisitions. Vizsla Copper's vision is to be a responsible copper explorer and developer in the stable mining jurisdiction of British Columbia, Canada and it is committed to socially responsible exploration and development, working safely, ethically and with integrity.

## **FORWARD-LOOKING STATEMENTS**

The information contained herein contains “forward-looking statements” within the meaning of the United States Private Securities Litigation Reform Act of 1995 and “forward-looking information” within the meaning of applicable Canadian securities legislation. “Forward-looking information” includes, but is not limited to, statements with respect to the activities, events or developments that the Company expects or anticipates will or may occur in the future, including, without limitation, planned exploration activities. Generally, but not always, forward-looking information and statements can be identified by the use of words such as “plans”, “expects”, “is expected”, “budget”, “scheduled”, “estimates”, “forecasts”, “intends”, “anticipates”, or “believes” or the negative connotation thereof or variations of such words and phrases or state that certain actions, events or results “may”, “could”, “would”, “might” or “will be taken”, “occur” or “be achieved” or the negative connotation thereof. Forward-looking statements in this news release include, among others, statements relating to: obtaining the required regulatory approvals for the Offering; the expected Closing Date; completion of the Offering; the intended use of proceeds of the Offering; the Company’s growth and business strategies; and the exploration and development of the Company’s properties.

Such forward-looking information and statements are based on numerous assumptions, including among others, that the results of planned exploration activities are as anticipated, the anticipated cost of planned exploration activities, that general business and economic conditions will not change in a material adverse manner, that financing will be available if and when needed and on reasonable terms, that third party contractors, equipment and supplies and governmental and other approvals required to conduct the Company’s planned exploration activities will be available on reasonable terms and in a timely manner. Although the assumptions made by the Company in providing forward-looking information or making forward-looking statements are considered reasonable by management at the time, there can be no assurance that such assumptions will prove to be accurate.

Forward-looking information and statements also involve known and unknown risks and uncertainties and other factors, which may cause actual events or results in future periods to differ materially from any projections of future events or results expressed or implied by such forward-looking information or statements, including, among others: negative operating cash flow and dependence on third party financing, uncertainty of additional financing, no known mineral reserves or resources, the limited operating history of the Company, the influence of a large shareholder, aboriginal title and consultation issues, reliance on key management and other personnel, actual results of exploration activities being different than anticipated, changes in exploration programs based upon results, availability of third party contractors, availability of equipment and supplies, failure of equipment to operate as anticipated; accidents, effects of weather and other natural phenomena and other risks associated with the mineral exploration industry, environmental risks, changes in laws and regulations, community relations and delays in obtaining governmental or other approvals.

Although the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in the forward-looking information or implied by forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that forward-looking information and statements will prove to be accurate, as actual results and future events could differ materially from those anticipated, estimated or intended. Accordingly, readers should not place undue reliance on forward-looking statements or information. The Company undertakes no obligation to update or reissue forward-looking information as a result of new information or events except as required by applicable securities laws.
